LAUNDRY OVERLOAD: JUSTIN & BREANNE

With two children and a baby on the way, life for Breanne and Justin is fun but rather hectic. Justin is already overwhelmed with the daily struggles in a small house that does not meet their needs. However, Breanne loves the chaos and feels that there is plenty of potential within their home to get everything they want. Can designer Hilary reinvent the space and address all of Justin's concerns? Or will real estate agent David find them the perfect home for their growing family?
