MOTHER-IN-LAW MATTERS: STEFANIE & JONATHAN

Stefanie and Jonathan are incredibly busy raising their two-year-old twin daughters and are missing the full time, live in help they used to have from Jonathan's mother, Cindy. Cindy moved out because she did not enjoy living in the dark, and un-renovated basement. Both Jonathan and Stefanie want her back under the same roof, but they don't agree on whether this is the house of their future. Will designer Hilary transform this home for Jonathan's mother while making their home more functional, or will real estate agent David find them a new space that the whole family will love?
