

# \$AVE MY RENO

## SEASON 1 ~ ERIC & REBECCA

Eric and Rebecca are engineers by day, and home brewers by night. They love to have friends over to try new ales, but their 60s kitchen isn't equipped for their entertaining needs. They weren't afraid to take out a wall in the dining room, but taking on a kitchen reno is beyond their engineering know-how. They want an open concept kitchen complete with beverage centre and won't settle, but quotes are way over their budget. Sebastian and Sabrina recycle hardware and salvage materials to save their reno.
