

# \$AVE MY RENO

## SEASON 1 ~ RAJ & RIVA

Raj and Riva have a large family kitchen. But after 11 years, the brown cabinets, laminate counters and lack of organization, have them pushing the reno button. They want this to be their forever home, but quotes are coming in well over their budget. They wonder if they have to move to get their dream kitchen. They need help before they put a for sale sign on their home. Sebastian and Sabrina use their expertise and upcycling skills to create a kitchen that looks custom, saving Raj and Riva's reno.
