

# \$AVE MY RENO

## SEASON 1 ~ NICK & ZINA

Nick and Zina are a dynamic real estate duo that understands pride of ownership. Their family home is impeccable, except for their master bathroom. The door to this room remains closed and hidden from visitors. It's very large, very dark, and has some very strange features that leave people scratching their heads. They've renovated their whole house, so money is tight. But quotes they've been getting are coming in well above their budget. They're at a loss and need help. Sebastian and Sabrina impart their expertise and create break out builds with custom surprises as they save their reno.
